

# Managing Things...

## *Leading People*

KCD Consulting Inc., in partnership with The Learning Edge Inc., is excited to announce the “Managing Things... Leading People” conference in Vancouver. This comprehensive leadership seminar is designed for leaders, managers, and executives. Managing Things... Leading People focuses on management and leadership skills, team building, and managing change.

### NEXT SCHEDULED SESSION

---

Vancouver, BC  
November 24-26th, 2010

\$1,999 + HST

This fee includes a 3 day conference, all training material, and meals.

### PROGRAM HIGHLIGHTS

---

Managing Things... Leading People has benefited thousands of leaders, managers, and executives. A **16 year track record** of outstanding success in presenting this program to all levels of management, can provide you with the following benefits.

- Transform your managerial talents into dynamic leadership skills
- Learn new techniques to create a positive work environment and avoid “cultural poison”
- Identify your leadership strengths and weaknesses
- Captivate your customers through enhanced influencing skills, presence, and confidence
- Develop a charismatic presentation style and project a positive mental attitude
- Generate increased team productivity by working effectively with different leadership styles
- Read the motivational “buttons” that guarantee customer and team buy-in
- Learn how to lead both individuals and teams at different stages of development
- Develop and master rapport building approaches that increase trust

“Brilliant program to ignite an individual, team, or organization.”

### SESSION OBJECTIVES

---

- To master techniques to deal with change; to supervise change; and to lead change
- To implement techniques to establish and maintain win-win relations with others
- To take responsibility for our thought choices and accept the empowerment within attitude choices and paradigm flexibility
- To learn how to “get in sync with others” and be able to “flex” to others’ styles in order to maintain high motivation and trust
- To learn how to create and maintain High Performance Teams with outstanding synergy and output
- To commit a “Contract for Change” and a blueprint for action
- To learn, “stretch” and have fun

### FACILITATOR

---

Dr. Denis Shackel, a specialist in developing Human Resources, successfully presents training sessions designed to unlock the talents of those within management, business, and government organizations. Denis’ experience includes a full Professorship at the University of Toronto teaching educational psychology and where, in 2000, he was honoured as Professor of the year.

Denis was honoured in 2004, and again in 2010, by being chosen Professor of the year at the prestigious Ivey School of Business where he currently teaches Management Communications.

Denis is also a published author. His book, *Five Seconds at a Time*, recounts the longest night of his life atop Mount Ruapehu in New Zealand. His experience shows how leaders can make the impossible, possible.

“This is by far the best course I have ever taken. Excellent group exercises & learning opportunities. Denis is a wonderful person & extraordinary facilitator.”
